

Returning to FBCO Kids Life! What you can expect...

BEFORE YOU COME – Be sure everyone is healthy and check temperatures before coming. We ask that you only attend when all those in your home are healthy and free of all cold and flu symptoms for a minimum of 24 hours. If your child starts to display any symptoms with us, we will have them wait in a different room while you are notified.

KIDS LIFE CHURCH PACKET – If your child attends the worship service with you, we have packets available for you to pick up at the Kids Life Check-in counter in the lobby. The packets will have activities that are centered around that week's Gospel Project lesson and the Pastor's sermon.

PRE-REGISTER ONLINE– This will help our volunteers be prepared for those in attendance. Here is the link:

CHECK-IN – We will have manned Check-in stations in the Lobby only. If possible, we ask that only one parent take kids to their class.

CLASSROOMS –Before arriving to class, feel free to take your child to the bathroom to wash their hands. (If not, let us know. We will provide hand sanitizer at the door of each classroom.)

–Teachers will greet you at the door.

-Teachers will assist kids in hand washing/sanitizing as needed during their class time.

NOTE: Some things we have changed for the time being to limit spreading of germs:

-We won't be using our playroom, playground, ball pits and will limit type and number of toys/equipment/supplies out at one time.

-We won't be using the same classroom two hours in a row. If you come to the 2nd hour, your child will be going into a "clean" room.

-We will continue to have our supplies/toys/equipment sprayed and cleaned after each session.

-With most children only attending one of the two hours right now, we won't be offering snacks. Babies will still receive their bottles as communicated to the teacher by you.

-Table activities will be used instead of group games.

DISMISSAL - When you pick up your children - we're asking you exit out the South Exit, at the end of the hall, to help with the flow of people coming into the hallway.

As always, please reach out with any questions or concerns!

During this transition time I want you to get answers to your questions quickly, so feel free to contact me at any time by phone: (219) 455-5232
or email: ascheltens@firsttofallon.com

We are excited to see each of you again!
